*Proceedings of the Madras Government, Judicial Department,
17th August 1864.*

No. 103. Read the following letter from Colonel G. W. Y. SIMPSON, Inspector General of Ordnance and Magazines; to the Chief Secretary to Government, Fort Saint George, dated 8th August 1864, No. 90.

Bill Department.

In returning the Statements of expenditure incurred for bursting guns, which were transferred to this Department for disposal, with the Orders of Government as per margin, I have the honor to state that as all charges incurred, or sums realized on the above account are debited to and credited in the Local Funds of the District in which the transactions take place, as will be seen from the copy of the Extract from the Proceedings* of the Board of Revenue herewith sent, and as no provision is made in the Ordnance Budget Estimate under which the charge might be passed, I beg to suggest the two Statements referred to be transferred to the Revenue Board for disposal as usual.

Proceedings of the Board of Revenue, dated 2nd August 1862, No. 5029.

Read bill from the Deputy Collector of Salem, dated 28th April 1862.

The foregoing bill is on account of charges incurred for bursting unserviceable guns in the Salem District, amounting to Rupees 219-14-2, received under a label from the Inspector General of Ordnance and Magazines. The Board observe that this charge should be defrayed from the Local Fund, as the sale proceeds of the fragments of the destroyed guns are to be carried to the credit of that head.

2. The Board wish to be informed whether the pieces of the guns already destroyed have been disposed of; and if so, what amount was realized thereby, and whether it has been credited to the head of Local Fund. If not, the Collector will state what is the cause of the delay, and will take steps at once to dispose of the fragments and credit the proceeds as above pointed out.
