PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

*From the Acting Assistant Inspector General of Madras Police, Madras, 16th December 1863,
No. 3374; to the Chief Secretary to Government, Fort Saint George.*

In the absence of the Inspector General of Police and with his approval, I have the honor to submit for the sanction of Government, Plan and Estimate for the enlargement of the Military Hospital at Rajahmundry, made over to the Police, by Government Order, No. 1637, dated 12th October 1863.

2. The Plan was originally drawn out for the addition of a wing on either side, but only one wing, as shewn colored, is now estimated for; and that addition to the accommodation is urgently required, the duties of the Police in the Rumpah country being harassing and causing much sickness.

3. The only change needed in the Plan is that the small Verandah room marked A, which is colored green, with a view to removal, should be allowed to remain, as also the window marked C, and the room marked B should be removed to D.

4. Funds for the execution of this work have been reserved from the allotment given for Police Buildings in the Budget of the current year.

Referred (with the Plan) to the Military Department, in reference to Proceedings 28th April last, No. 1397, in that Department, in view to its being ascertained whether there is any objection to the additions and alterations to the Building referred to, being executed.
