*Proceedings of the Madras Government, Judicial Department,
25th August 1864.*

Read the following papers:—

No. 164. From G. A. BALLARD, Esq., Magistrate of Malabar; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Calicut, 3rd August 1864, No. 105.

Adverting to G. O., No. 1603, dated 5th December 1860, I have the honor to state that I have received a letter from Sub-Conductor Bay, intimating that he has been ordered to place himself under my orders for bursting cannon, the property of private individuals in this District, and requesting that arrangements may be made for supplying him with bandies for the conveyance of Military stores used in bursting Ordnance, as well as with bullocks, blacksmiths, coolies, &c., and that the Tahsildars may be supplied with funds for defraying expenses.

2. Out of the 48 guns specified in the list submitted to Government with Mr. Grant's letter noted, the Zamorin Rajah and Kundoti Tungal have been permitted to retain 11; six have been burst

No. 82, dated 16th November 1860.

with the Government unserviceable guns at Palghat. Of the remaining 31, I have good reason to believe most are unserviceable; and, in my opinion, it is not worth the while of Government to incur the expense attending the travelling of a Warrant Officer with stores from place to place to burst the remainder, if indeed any serviceable ones remain.

3. Under these circumstances, I request the early orders of Government on the subject, as Sub-Conductor Bay awaits my reply at Vellore before he starts for this District.

No. 165. From G. A. BALLARD, Esq., Magistrate of Malabar; to J. D. SIM, Esq., Secretary to Government, Judicial Department, Fort Saint George, dated Calicut, 13th August 1864, No. 109.

Adverting to your Memorandum of the 11th instant, I have the honor to report I can easily arrange for the destruction of the cannon in question.

No. 166. ORDER THEREON, 25th August 1864, No. 1277.

The Magistrate of Malabar is requested to arrange for the immediate and effectual destruction of the cannon lying about the District which have been ordered to be burst, and to submit a special report to Government on the work, being completed.

2. Intimation should be given to the Warrant Officer at Vellore that his services are not required in the Malabar District.
