No. 88. Read the following letter from W. ROBINSON, Esq., Inspector General of Police; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Kotagherry, 5th September 1864, No. 1839.

General Department.

I have the honor to submit 10 copies of the translation of the Manifesto anent the incarnation of Vishnu in the form of one Veeraboga Vasanda Rayer, which has obtained wide circulation in some of the Southern Districts.

2. The original pamphlet from which this translation was made is in Tamil, and had been printed in all probability in one of the Native Presses in Madras; but the printer's name is not given.

3. It was in circulation at Conjeveram, Madras District. Copies of the same, or of very nearly the same character have reached me from other parts. The paper which was the subject of Government Order, No. 1531, dated 6th May, Military Department, is a transcript of the same.

4. I have printed the paper to enable me to place a copy (confidentially) in the hands of each of my officers, with a view to comparison of such papers as fall into their hands. I propose to circulate a copy to each of the Magistrates of Districts with the same view.

5. It is a Hindu production and does not contain any thing obviously seditious or exciting. At the same time it has an active circulation, and credence is accorded to the predictions contained therein.

No. 89. ORDER THEREON, 13th September 1864, No. 1359.
The course mentioned in paragraph 4 is approved.
