Proceedings of the Madras Government, Judicial Department,
28th September 1864.

No. 214. Read the following letter from W. ROBINSON, Esq., Inspector General of Madras Police; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Kotagherry, 12th September 1864, No. 1895.

Audit Department.

Dated 6th July 1864.

With reference to my letter noted in the margin, urging an increase of Force in Jeypore, I propose reducing the Force in South Malabar to the extent shown in the Memorandum hereto appended.

2. I must inform Government that the Magistrate and Superintendent both hesitate as to the expediency of further reduction of the Force. But considering the greater exigency of the public service in Jeypore, and the fact that European Troops will still be kept in the Mopla Taluqs, I venture to recommend that this measure be sanctioned.

MEMORANDUM.

The following reduction will take place in the South Malabar Police:—

1 Inspector.
2 Head Constables.
4 Deputy Constables.
31 Constables.

38

A corresponding increase will be made to the Police in Jeypore from 1st October 1864.

OFFICE OF THE INSPR. GENL. OF POLICE,
MADRAS, 15*th September* 1864.

(Signed) M. W. CARR, Captain,
Assistant Inspector General of Police.

No. 215. ORDER THEREON, 28th September 1864, No. 1421.

The Governor in Council is unwilling to sanction any reduction in the Police Force in the District of Malabar without the concurrence of the Magistrate and the District Superintendent of Police, especially as the proposal is evidently made on other grounds than the adequacy of the present establishment. Mr. Robinson is requested to suggest a reduction elsewhere, or if this be impracticable to apply for an addition to the Constabulary on account of Jeypore.

From the Inspector General of Police.
Dated 12th September 1864

For Orders

I certainly would not reduce the Police force in such a district as Malabar without the concurrence of the Magistrate and the District Sup.o of Police – I see no reason to suggest a reduction else than I presume or apply for an addition to this force on account of Leyden.
