*Proceedings of the Madras Government, Judicial Department,
6th October 1864.*

No. 42. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to J. D. SIM, Esq., Secretary to Government, Judicial Department, Fort Saint George, dated Ootacamund, 28th September 1864, No. 192.

In forwarding a recommendation of the Session Judge in charge of the Jail at Cuddalore, for the immediate release of a lad reported to be apparently weak of intellect, but who has been committed for two months' simple imprisonment for theft, and is now reported by the Zillah Surgeon to be dying of atrophy, I beg that the mercy solicited may be extended to the prisoner Seetaramiah, and that the Session Judge may receive intelligence of the same by telegraph.

From G. ELLIS, Esq., Session Judge of Cuddalore; to J. ROHDE, Esq., Inspector General of Jails, dated Cuddalore, 12th September 1864, No. 8.

In submitting copy of a letter from the Civil Surgeon, dated 20th instant, I have the honor to request that, under the circumstances therein detailed, you will be good enough to recommend

* Sentenced on the 23rd August 1864, to two months' simple imprisonment by Davasigamony Pillay, 1st Class Subordinate Magistrate of Cuddalore, under Section 379 of the Indian Penal Code, for theft, in Calendar No. 19 of 1864 on the file of his Court.

to His Excellency the Governor in Council for the remission of the unexpired portion of the sentence to which the prisoner Seetaramiah* is now undergoing imprisonment in the Zillah Jail, and obtain sanction for his release.

From W. DOYLE, Esq., Acting Civil Surgeon of Cuddalore; to the Session Judge of Cuddalore, dated 20th September 1864, No. 44.

I have the honor to bring to your notice the case of Seetaramiah, a lad apparently of weak intellect, who was committed to Jail some short time since in a very weakly state, suffering from atrophy and dropsy. Under the most favourable circumstances he is not likely to live long, but if he remains in Jail he probably will not live until the termination of his sentence, on 25th October next. I would accordingly suggest that he should be released.
