OFFICIAL MEMORANDUM.

Enquiries of this morning.

States that if Lieutenant Warlow be Gazetted for six months' special leave to *England* without pay, as a matter of extreme urgency, he will not be entitled to receive any pay for the period he has spent on privilege leave, under paragraph 42 of Chapter IV of the Civil Paymaster's Manual quoted below:—"The privilege leave is allowed to run into the special and sick leaves in *India*; but these leaves are not allowed, in consequence, to be extended beyond the period fixed in paragraphs 43 and 44, and it is not permitted to be taken in connection with, or in continuation of leave beyond sea granted under the Regulations of 1854." Lieutenant Warlow, as before informed, can tack on his privilege leave to special leave in *India* while to the Cape will be 8 months in all, and this Department will have no objection to pay him, if such leave be taken, the full amount due to him up to date of sailing, or to let him have the accompanying certificate, setting forth the amount which would be paid on demand to his Agents,

Proceedings of the Madras Government, Judicial Department,

2. Supposing Lieutenant Warlow is obliged to take the special leave out of Indian limits and does not go further than the Cape, it will be a matter entirely for Government to decide whether the same may be converted into special leave in Indian limits. No case of this sort has occurred, and it is not possible therefore to state whether the conversion of the one leave into the other would be acceded to.
