CIRCULAR MEMORANDUM.

The Chief Secretary has the honor to request that the Collector of will submit, with as little delay as possible, a list of non-official persons who, in his opinion, might be appointed to the office of Deputy Registrar under Act XVI of 1864, in addition to the official persons already proposed by him for the office. It has been suggested that, with the view of increasing the number of Registration Divisions, and thereby the facilities for registration, a certain number of non-official persons should be appointed Deputy Registrars in addition to the official persons named in the Collectors' Returns. When forwarding the list now called for, the Collector should specify the names of the towns in which the non-official Deputy Registrars should have their offices, and a sketch map of the district showing the limits of the Registration Divisions as they should be altered, in the event of additional Deputy Registrars being appointed from the non-official classes. A list of the Tahsildars and Sub-Magistrates with their names, and the names of the towns in which their offices are held, should also be furnished, in case it should be determined not to appoint Judicial officers to the office of Deputy Registrar.

2. The reply to this Circular should reach Madras not later than the proximo.
