I have the honor to transmit herewith the Statement of State Prisoners for the half-year ending 30th June 1864, as well as the Annual Reports for 1863, of those under detention and surveillance in the Madras Presidency, prepared agreeably to the Orders of Government, dated 6th June 1860, and 10th December 1861.

Tebboo.....	Bellary.....	Orderly and cheerful.	Good.	These men were peons under the Gybah Dundasenah, and were actually engaged in the sedition raised by him. They were charged with having incited certain Sowerahs, two of whom were executed and three transported for life, to commit a murder. The evidence, however, was not considered sufficient to ensure their conviction before the Sessions Court. Extract Minutes of Consultation, 2nd February 1856, No. 103.	In Proceedings, 19th December 1859, No. 1691, the Government declared they could pass no orders as regards them.

Narrakatputhenvitil Syed Mahomed Coyakutty.....	Chicacole.....	Best behaved.	Complains of rheumatism. In fair health.	These Moplahs were made State prisoners in Extract Minutes of Consultation, 25th April 1856, No. 424, for complicity in the assassination of Mr. H. V. Connelly, Collector and Magistrate of the District. The Government declared that the period of confinement in each case must depend upon circumstances, but to produce the due effect upon the parties themselves, and on others, it may be necessary to prolong it in the worst cases to the most distant date consistent with the intention of the Act. Notes of the characters given to them by the Joint Magistrate were made from his report, as also his opinion as to the term of imprisonment to be awarded to each, as a guide to Government. In the address used in the name of Government, it was to be pointed out to the Moplah population, that the period of detention for those who were deported would greatly depend on the future conduct of their countrymen in Malabar.
