MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Adjutant General, Head Quarters, Ootacamund, 27th August 1864, No. 552; to the Secretary to Government, Military Department, Fort Saint George.

** Communicating correspondence from the Government of India, relative to the introduction of a modified system of separate imprisonment for European Soldiers, &c.*

I have the honor, by order of the Commander-in-Chief, to acknowledge the receipt of the correspondence* as per margin, referred to this Department with your Memorandum of the 11th instant.

2. His Excellency desires me to state, for the information of Government, that he considers the system of separate confinement for European Soldiers excellent; but it will be difficult to carry it out in this Presidency at any of the Stations, Secunderabad excepted, until proper Cells are constructed, a measure Sir Hope Grant would recommend in order that the system above referred to, may be brought into operation as soon as possible.

ORDER, No. 3792, 26th October 1864.

Before passing final orders on the papers adverted to in the foregoing letter from the Adjutant General, the Governor in Council requests to be favored with the views of the Commander-in-Chief, as to the Stations in this Presidency which His Excellency considers it will be most desirable to erect Prisons for the purpose in question: Government infer that, for the present, Central Prisons at Bangalore and Secunderabad would suffice.
