No. 23. Read the following letter from F. M. KINDERSLEY, Esq., Acting Judge of the Court of Small Causes at Combaconum; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Combaconum, 25th October 1864.

I have the honor to request you will submit for the favorable consideration of His Excellency the Governor in Council, my application for the full salary of this appointment, during the time that it has been held by no permanent incumbent.

2. It is, I believe, optional with Government either to grant or withhold this allowance; and I would, therefore, respectfully submit, that I was for three years acting as Sub-Collector of Tinnevelly: during that time, I officiated for no less than four permanent incumbents. In January last, I took up my present appointment. I had to march a distance of 300 miles, and I received no increase of salary by the change; on the contrary, my allowances here are less than what I drew in Tinnevelly.

3. I would also urge that the work of this Court is by no means light, and I trust this fact may be taken into consideration in disposing of my present application.

4. The full allowances have, ere now, been granted to officers acting in appointments of which there were no permanent incumbents, and I trust His Excellency will be pleased to confer the benefit of the rule upon me also, and grant me the full salary from 18th March last, the date on which the appointment was vacated, to 21st October, the date on which a permanent incumbent was appointed.

No. 24. ORDER THEREON, 2nd November 1864, No. 1591.

The Governor in Council sanctions the disbursement to Mr. F. M. Kindersley, Acting Judge of the Small Cause Court of Combaconum, of the full salary of the office from the 18th March to the 21st October last, during which time the appointment in which he officiated was fully vacant.
