*Proceedings of the Madras Government, Judicial Department,  
16th November 1864.*

No. 149. Read the following letter from Lieutenant Colonel W. J. WILSON, Commissioner of Police; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 24th October 1864, No. 110.

With reference to the Order of Government noted in the margin, I have the honor to report that five of the witnesses therein referred to were forwarded from Cocanada by the Magistrate on the 6th instant, and arrived here on the 8th; since which I have been paying them boarding allowances according to their classification. There are also two other witnesses in the same case who arrived a few days earlier. Of these seven, one is for the prosecution, and the others for the defence.

2. I herewith submit for the consideration and orders of Government two petitions, one from Elias Noyes, late 2nd Officer, and the other from Thomas Keon, late Boatwain of the *James Saddle*, (both of whom are witnesses for the defence in the case referred to,) applying for a refund of their boarding expenses at Cocanada, and for compensation for loss of time.

3. As it is not improbable that similar applications may be made by the other witnesses, I thought it advisable to bring the matter to notice before the Sessions.

No. 150. ORDER THEREON, 16th November 1864, No. 1645.

The Governor in Council is not prepared to comply with the applications submitted with the foregoing letter. As a special case however, he authorizes the Commissioner of Police to disburse to the applicants the allowances to which they would have been entitled had they been subpoenaed as witnesses for the prosecution.
