*Proceedings of the Madras Government, Judicial Department,
11th February 1864.*

No. 60. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 3rd February 1864, No. 537.

I have the honor to bring to the favorable notice of Government the conduct of a prisoner, C. Bauligadoo, by whom a serious conspiracy in the Jail at Cuddapah was brought to light, and who I would now recommend for immediate pardon and release.

2. This prisoner from his good conduct had already been selected as a Jail Maistry, and Mr. Child, the Sessions Judge in the letter now enclosed, speaks most favorably of the service he has rendered, and suggests a remission

• To be returned.

of at least one year of the remaining portion of his sentence.

3. Bauligadoo's crime was highway robbery, for which he was sentenced to 14 years' imprisonment, only two and a half of which remain.

4. In such cases I think it fair to the Maistry (when it is allowable under the circumstances) at once to confer the boon recommended, and as so large a portion of this man's sentence has been undergone in Jail, and he had already recommended himself for the place of Maistry, and is now an old man, I have thought it proper to recommend this course at present.

From F. S. CHILD, Esq., Sessions Judge of Cuddapah; to J. ROHDE, Esq., Inspector General of Jails, dated Cuddapah, 26th January 1864, No. 54.

Last December, one night about 10 p. m., when at the house of the Superintendent of Police, the European Sergeant of Police came up and reported that there was a threatened outbreak in one of the large Wards: the Superintendent of Police and myself immediately went to the Jail and we found arms and other articles ready in the Ward; the prisoner who was proved to have been the most active, and indeed the only one against whom there was sufficient evidence, was punished.

2. The whole affair was brought to light by Maistry C. Bauligadoo, and I believe had it not been for him the consequences might have been very serious. He is a 14 years' man sentenced for highway robbery, and two years and eight months of his sentence yet remain. I should strongly recommend that a portion of his sentence be remitted by Government, and as he is an elderly man I should recommend that one year at least be remitted.

No. 61. ORDER THEREON, 11th February 1864, No. 170.

Under the circumstances stated in the foregoing letter, the Governor in Council is pleased to remit the unexpired portion of C. Bauligadoo's sentence, and to direct his immediate release from the Cuddapah Jail.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

N^o: 170 — 11 February 1864

Under the circumstances stated in the foregoing letter, the Governor ^{is promptly} is pleased to remit the unexpired portion of G. Bauli-gaddoo's sentence, & to direct his immediate release from the Cuddapah Jail.
