No. 56. Read the following letter from W. M. CADELL, Esq., Collector of Tanjore; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Tanjore, 26th November 1864, No. 1222.

With reference to the orders of Government of the 13th August last, Judicial Department, No. 1219, I have now the honor to report, that the Notification which accompanied the same was duly published and proclaimed throughout the town of Combaconum, and that Mr. Hope, Assistant Collector, has resided thereat, and has kept the book prescribed in paragraph 2 of the order of Government.

2. The number of houses and shops in the town of Combaconum is 6200, but as a considerable number of these are owned by one and the same party a deduction of about 1500 may be made on this account; there therefore remains 4700, which, I conceive, may be taken as the number of the actual holders of houses and shops, and of these no less than 2507 persons have come forward and signed their names in the books in attestation of their being in favor of the introduction of Act XXVI of 1850. Only one individual indeed has come forward, deprecating the introduction of the Act, and for the reason (as he himself states) that the Act in question does not determine the rate at which the tax for municipal purposes is to be levied.

3. The parties who have signed in favor of the Act, I may add, comprise by far the greater number of the wealth, intelligence, and respectability of the town; and under these circumstances, I would therefore take leave to recommend that the Government may be pleased to allow the introduction of the Act, and that a Notification be issued accordingly.

4. In the event of the Government concurring in the recommendation above made, I would further take leave to propose the names of the following gentlemen as Commissioners, for the purpose of carrying out the provisions of the said Act:—

The District Magistrate, Ex-officio.
F. M. Kindersley, Esq., Judge of the Court of Small Causes.
