No. 59. ORDER THEREON, 6th December 1864, No. 1748.

The Governor in Council directs, accordingly, that the preliminary Notification, required by Section 3, Act XXVI of 1850, be published in the *Fort Saint George* and *Bellary District Gazettes*, and that three clear months be allowed to the inhabitants to declare themselves for, or against, the extension of the Act to the town of Adonie for municipal purposes.

2. The Magistrate will instruct the Deputy Collector to cause the Notification to be made known by public proclamation in the town, and also to open books at Adonie, in which the inhabitants should be invited to record their assent to, or dissent from, the measure. The greatest care should be used to ensure the free expression of the public feeling on the subject, and no influence exercised, or inducement held out.

3. On the expiration of the three months allowed by the Notification, the Magistrate will submit a report to the Government, and, if the result is such as to warrant his recommending the introduction of the Act into the town of Adonie, he will, at the same time, submit the names of the gentlemen to be appointed Commissioners under the Act.
