MANANTODDY, 7*th November* 1864.

(Signed) G. A. BALLARD,
Magistrate.

To the Chief Secretary to Government, Judicial Department, Fort Saint George, with reference to Memorandum, No. 439, *dated* 16*th August* 1864, *Judicial Department.*

Proceedings of the Madras Government, Judicial Department,
6th December 1864.

No. 67. ORDER THEREON, 6th December 1864, No. 1751.

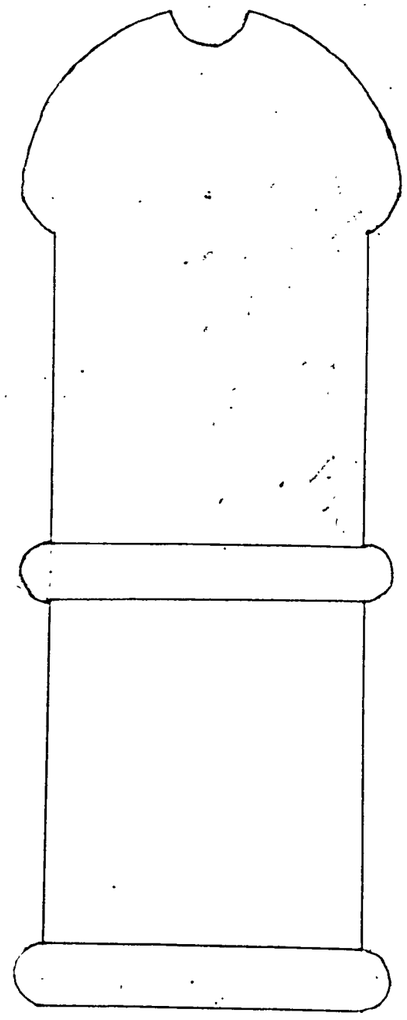

It appears from the foregoing papers that the Zamorin of Calicut has ten cannon in his possession, although only four are entered in the permission granted to him under Section 4, Act XXXI of 1860. Mr. Ballard explains that the six guns not protected by the permission are not regular cannon; but, the Governor in Council considers that, under Section 6 of the Act, guns which are not "firearms" should be treated as cannon. Moreover, the six guns in question appear to be larger in circumference, and in bore, than the four inserted in the permission. The entire number of guns in the possession of the Zamorin should, in the opinion of His Excellency in Council, be brought under the Act. The Magistrate will, accordingly, apply to the Zamorin for the return of the permission at present held by him, and intimate to him that he will be granted an amended one authorizing him to keep ten cannon in his possession. A second fee will not be charged for the revised permission.
