Proceedings of the Madras Government, Judicial Department,

7th December 1864.

No. 89. Read the following letter from Major General W. C. McLEOD, President Municipal Board of Commissioners, Bellary; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Madras, dated Bellary, 5th October 1864, No. 76.

I have the honor to request the sanction of Government that the amount realized monthly on account of fines imposed by the Cantonment Joint Magistrate for breach of local Regulation, and under Regulation VII of 1832, may be carried to the credit of the Municipality Cowle Bazaar; hitherto such fines have been forwarded to the Deputy Collector, but as the petty crimes calling for the imposition of fines occur chiefly in the Cowle Bazaar, I would beg to suggest that the monies so collected should be considered as fines levied by the Commissioners, and adapted for purposes of improvement and repairs.

No. 90. ORDER THEREON, 7th December 1864, No. 1762.

The application made in the foregoing letter cannot be complied with. The Government have always held it to be objectionable to appropriate fines for local purposes or improvements.
