VIZAGAPATAM, 19*th November* 1864.

No. 208. From F. H. WOODROFFE, Esq., Acting Senior Assistant Magistrate, Vizagapatam, to D. F. CARMICHAEL, Esq., Magistrate of Vizagapatam; dated Vizianagram, 17th November 1864, No. 220.

With reference to Government Notification, dated 12th July, published in the *Fort Saint George Gazette* of the same date, I have the honor to forward the marginally noted documents including the book specified in the Notification, from which it appears that the inhabitants of the town of Bobbili are favorable to the introduction therein of Act XXVI of 1850, I therefore request you will bring the same to the notice of Government.

VIZAGAPATAM, 19*th November* 1864.

No. 209. ORDER THEREON, 20th December 1864, No. 1826.

The Magistrate of Vizagapatam, with the endorsements above recorded, forwards communications from his Acting Senior Assistant, recommending the introduction of Act XXVI of 1850 into two places in his District. The Senior Assistant's letters, being, *mutatis mutandis*, transcripts of each other, merely state that the inhabitants appear to be favorable, and enclose the books which were opened. The Parvatipore and Kottavalsa books contain, each, some half dozen names, while the Bobbili book is pretty well filled, though many of the entries seem to have been written by the same person. Whether, however, these signatures are for or against the introduction of the Act there is nothing whatever to show, except the inference to be drawn from Mr. Woodroffe's word "favorable."

Proceedings of the Madras Government, Judicial Department,
20th December 1864.

2. The Orders of Government, Nos. 1010 and 1036 of the 8th and 12th July, directed the Magistrate to submit a report in each case, and, in the event of his feeling warranted in recommending the introduction of the Act, a list of the gentlemen to be nominated Commissioners.

3. Mr. Carmichael's endorsements can hardly be called reports, and no lists of Commissioners have been furnished. Moreover the submission of Vernacular papers (in this instance the Sub-Magistrate's Arzis) to Government, without translation, is inconvenient and contrary to rule.

4. The Magistrate will, therefore, be good enough to submit the reports called for in the above noted orders, explaining, with reference to the apparently feeble support which has been accorded to the measure in Parvatipore, on which grounds he recommends the introduction of the Act in that place, giving the status of the persons who signed the Bobbili book, and stating who were for, and who against, the measure. For this purpose the enclosures of Mr. Woodroffe's letters will be returned.
