*Proceedings of the Madras Government, Judicial Department,
23rd February 1864.*

No. 169. Read the following letter from P. GRANT, Esq., Magistrate of Coimbatore; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Coimbatore, 5th February 1864, No. 7.

In accordance with the Order of Government, dated 15th September 1863, No. 1485, communicated with their Proceedings in the Judicial Department, the notification required by Section 2, Act XXVI of 1850, was published in the District Gazette, dated 26th September 1863, and a book in which the inhabitants were invited to record their assent or dissent to the measure was opened—901 inhabitants have recorded their assent to the introduction of the Act; against its introduction no names have been entered. In order to ascertain more fully the sentiments of the inhabitants, Mr. Walker, the Acting Head Assistant Magistrate, has personally called on 185 parties and verified their signatures; and whilst engaged in this duty 101 additional names have been entered in favor of the Act. I cannot undertake to say that all the persons who have entered their names in favor of the introduction of Act XXVI of 1850 have taken the trouble to make themselves acquainted with its provisions; but still I recommend its introduction as a tentative measure; and beg to submit a List containing the names of those persons who I think should be associated with the Magistrate as Commissioners.
