To the Chief Secretary to Government, Fort Saint George,

No. 93. ORDER THEREON, 5th March 1864, No. 315.

The foregoing papers relate to a claim made by one Dasodabai to the estate said to have been left by her deceased husband, Nursing, formerly a Washerman attached to the late Andaman Sibbundy Corps.

2. The Commandant of the Corps stated that the sum realized by the sale of the effects of the deceased had been deposited in the Port Blair Treasury, but, as the Accountant General reported that no credit has been afforded on this account to this Presidency, a reference was made on the subject to Calcutta. The reply received was to the effect that no information could be obtained from the few papers referring to the Andaman Sibbundy Corps left at Port Blair, and that the whole of the records of the Corps had been carried away with them when they returned to Madras.

3. As this reply does not touch Mr. Bruce's statement that the proceeds of the effects of the deceased had been paid into the Port Blair Treasury, the Governor in Council directs that the Statements furnished by the Accountant General, dated 3rd October 1863, and 29th January 1864, be forwarded to the Government of India, with the request that it may be ascertained from an examination of the Treasury accounts at Port Blair whether any deposit was paid into the Treasury on account of the estate of Nursing, deceased, Washerman of the late Sibbundy Corps. The Government of India will also be requested to communicate, if possible, the names of the

two deceased Privates on whose account the amount of Rupees 45-14-6 was credited to this Presidency in the Supplementary Account Current for 1860-61, and the sum appertaining to each estate.
