Legislative.

I am directed to communicate to you the request of the Governor General in Council that, with the permission of the Government of Madras, Statements of the Civil and Criminal Work, instituted during the year in the High Court of Judicature at Madras on the side of its ordinary Original Civil and Criminal Jurisdiction, may be procured and submitted to the Government of India as soon after the close of the year as they can be conveniently prepared.

2. The Statement of Civil business should show the number of suits instituted in the course of the year, and should give the number of suits involving claims to real property as distinguished from suits of other descriptions.

3. The Criminal Statement should embody the Calendars of the several Sessions held in the course of the year, with the addition of the sentence or order passed in each case.

4. The Governor General in Council further desires to be informed of the number of the Civil suits instituted before the High Court during the year, which would have been cognizable in the Presidency Town Court of Small Causes had the jurisdiction of that Court extended to suits not exceeding 1000 Rupees in amount or value, instead of being limited to half that sum.

No. 47. ORDER THEREON, 11th January 1864, No. 31.

The Honorable the Governor in Council requests that the Honorable the Judges of the High Court will be so good as to furnish a Return affording the information required by the Government of India.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
