*Proceedings of the Madras Government, Judicial Department,
14th March 1864.*

No. 168. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 5th March 1864, No. 605.

With reference to the Order of Government, 19th February 1864, No. 500, Department Public Works, deferring the purchase of the ground for Jail and Court-house at Tanjore for want of funds, I have the honor to state that I can transfer the amount from sums provided for buildings and repairs in my estimates for 1863-64; that if the ground is purchased, the outer wall may at once be built with stones from the larger fort as they are removed by convicts, as was done at Trichinopoly. In a few days, perhaps to-morrow, my plans for building will be ready, and the convicts cannot be better employed than in bringing stones to the ground, and putting them convenient to the building.

2. If the Government postpone building proper Jails in the south, prisoners will increase beyond all reasonable provision that can be made for them.

No. 169. ORDER THEREON, 14th March 1864, No. 367.

Ordered that a copy of the Order of the 8th instant, No. 330, be furnished to the Inspector General of Jails.
