*Proceedings of the Madras Government, Judicial Department,
11th January 1864.*

No. 60. Read the following letter from P. GRANT, Esq., Magistrate of Coimbatore; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Coimbatore, 5th December 1863, No. 86.

I have the honor to forward copy of a letter from Messrs. Fischer & Co. of Salem, dated 21st ultimo, requesting that they may be permitted to transport Saltpetre from their Depôt at Erode to Madras without a pass or license from the Magistrate of the District.

2. Under the circumstances represented, and as the respectability of the above Firm is well known to Government, I beg to recommend the application for the favorable consideration and orders of Government.

From Messrs. FISCHER & Co., Salem; to P. GRANT, Esq., Magistrate of Coimbatore, dated Salem, 21st November 1863.

A few years ago Government directed that all Saltpetre despatched by us from our Depôts to Madras be accompanied by licenses from the local Magistracy, and sanctioned our transporting the article from the villages where it is manufactured, to the Depôts themselves under our own passes.

The former Magistrate of *Salem* allowed us to have our Saltpetre transported from the villages to the Depôts, and from the Depôts to Madras without either passes or licenses, and our object in this communication is to beg you will be good enough to let us know whether you also cannot extend a similar indulgence to us; as the circumstances, under which the prohibition to transport Saltpetre from place to place unless under licenses from the Magistracy, have altered. Government themselves purchase the greater part of our Saltpetre almost every year, and we ship the remainder to London.

(True Copy.)

(Signed) P. GRANT,
Magistrate.

Chief Secretary.
