*Proceedings of the Madras Government, Judicial Department,
22nd March 1864.*

No. 258. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Right Honorable the Governor General of India in Council, dated India Office, London, 16th January 1864, No. 3.

I have considered in Council the letters from your Government, dated 25th February and 4th November 1863, Nos. 10 and 50, together with the letter from the late Governor General, in the Foreign Department (General), dated 19th May 1863, No. 3; and I am glad to observe that the new arrangements for the suppression of Meriah Sacrifice and Female Infanticide in the Hill Districts of Orissa are answering your expectations. I trust that, before long, the improved Police system, and the increased means of communication throughout these Districts will have the effect of entirely putting an end to these barbarous customs.
