*Proceedings of the Madras Government, Public Department,
22nd March 1864.*

No. 155. Read the following letter from R. W. LODWICK, Esq., Civil Paymaster, Fort Saint George; to the Chief Secretary to Government, Madras, dated Fort Saint George, 15th March 1864, No. 60.

General Department.

I have the honor to bring to the notice of His Excellency the Governor in Council an apparent error in procedure as regards the grant of leave to Chaplains and Military Officers in Civil employ in this Presidency.

2. Although this Department passes the pay of these officers, and has the entire supervision of their allowances, the Military Department reports on their applications for leave, an anomalous condition of things which, it is submitted, should not be allowed to continue.

3. I believe the system which I am bringing to notice is not in force elsewhere, and I am unable to see on what grounds the office which passes pay should be excluded from giving Government information regarding the eligibility to leave of those who are as regards their abstracts subordinate to it.

4. I would, therefore, respectfully recommend that for the future I be required to report on all leaves applied for by the persons above-named, and to request that should any doubts as to the advisability of this change exist, the question may be decided by a reference to the Government of India.

ORDER THEREON, 22nd March 1864, No. 357.

The Governor in Council concurs in the opinion of the Civil Paymaster that applications for leave from Chaplains and Military Officers in Civil employ should be reported on by the Civil Paymaster.

2. This course will be observed in future.
