*Proceedings of the Madras Government, Judicial Department,
7th April 1864.*

Read the following papers:—

No. 89. From J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 19th March 1864, No. 639.

In acknowledging the Order of Government (7th March), No. 321, I beg to remind you, in reference to paragraph 3, that the Budget Estimates are for the current year expiring with April; that the advances for grain are against the requirements of the Jails to the end of February next; indeed, to prevent the use of new grain, the stock purchased with the advance should last till the end of the ensuing official year. I can, I think, now meet the demand for advances, but it must be remembered that the outlay is in advance for the year ensuing, and cannot properly be represented by expenditure this year.

No. 90. From J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 30th March 1864, No. 657.

In reference to the Order of Government, directing that I shall pay for all the expenses of the prisoners in Lovedale, I have the honor to state that I have no funds provided for the purpose, having made my estimates in accordance with

Dated 8th March 1864, No. 333.

the Orders of the 1st June last, p. 5. The prisoners are fed, on the Lawrence Asylum works, at a cost far exceeding that of any Jail; the out-turn of work far exceeds that of coolies, and I consider the charge of Rupees 4-5-6 a month a moderate charge under the Orders of Government noted in the margin for the work.

E. M. C., 7th September 1857.
18th January 1864, No. 76.

This charge is less than two-thirds of the value of such labor, and the Department Public Works will get the benefit of any skilled labor among the prisoners that its officers can find or train.

2. I must double my estimates for 500 men if Government insist on the rule it has now laid down, but this may be met by a corresponding credit assumed for receipts.

3. Should the Government continue of the same opinion, I must beg for credit for Rupees 30,000 as additional expenditure for 1864-65 for the current year. I will try if savings will meet the enhanced cost.

No. 91. ORDER THEREON, 7th April 1864, No. 485.

Under the circumstances represented in the second of the letters above recorded, His Excellency the Governor in Council directs that the Acting Deputy Auditor and Accountant General will at once place at the disposal of the Inspector General of Jails the additional sum of Rupees (30,000) thirty thousand which he has applied for, to enable him to meet the expenditure on account of the prisoners employed on the Lawrence Asylum works. The Civil Paymaster is authorized to pass the extra outlay on this account against General Savings under "F III, Law and Justice."
