*Proceedings of the Madras Government, Judicial Department,
12th April 1864.*

No. 124. Read the following letter from J. R. BOYSON, Esq., Government Solicitor, Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Madras, dated 23rd March 1864, No. 144.

I have the honor to acknowledge the Proceedings of Government noted in the margin, relative to the execution within the British territories of warrants issued by the Travancore authorities, for the apprehension of persons charged with offences committed in the Travancore State, and escaping therefrom into British territory.

2. I submitted them for the consideration of the Advocate General, with whom I have also conferred; and,

3. I now forward a copy of his opinion.

COPY—OPINION.

I am clearly of opinion that, as observed by His Excellency the Governor in Council, Act VII of 1854 is the enactment which must govern the procedure in cases of arrest of Foreigners charged with the commission of offences in Foreign territory.

2. I am also of opinion that the power to make such arrests is not confined to an officer invested with the full powers of a Magistrate under the Code of Criminal Procedure, but may be exercised by a Subordinate Magistrate or Justice of the Peace having jurisdiction in any part of the British territories in which the accused person shall be found.

Advocate General.
