No. 77. From ROBERT COLE, Esq., Principal Inspector General, Medical Department, Fort Saint George; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Judicial Department, Fort Saint George, dated 5th January 1864, No. 3. Adverting to the telegram* from the Secretary to the Government of India, referred to me

* Herewith returned.

with your docket, dated 30th ultimo, I have the honor to state, for the information of Government, that the removal of Assistant Surgeon J. T. J. Doyle from the Zillah of Cuddapah will still further cripple the Medical Establishment, which is already so short of Officers, that I had it in contemplation to advise the withdrawal of the Surgeon of the Regiment there stationed for other duty, putting the corps in Medical charge of the Zillah Surgeon, a mode of meeting the requirements of the service adopted in two other stations at this moment, and which, should the ranks of the Department not be speedily reinforced, will have to be generally put in force, wherever a Native Regiment and a Zillah Surgency subsist in the same station. Under these circumstances, I should not be doing my duty if I declared that the services of Assistant Surgeon Doyle can be spared from his own Department.

2. I beg respectfully to suggest that the local Administration at Hyderabad should be apprized that, in the present dearth of Medical Officers, no station of His Highness the Nizam's Contingent can be provided with more than a single Commissioned Medical Officer.

No. 78. ORDER THEREON, 13th January 1864, No. 51.

A copy of Mr. Cole's letter will be furnished to the Military Department.

2. Under the circumstances represented, the services of Assistant Surgeon Doyle cannot be placed at the disposal of the Government of India, for employment in the Hyderabad Contingent.

3. The last paragraph of Mr. Cole's letter will be communicated to the Government of India by the Military Department.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
