Statement Department.

I have the honor, with reference to the enclosed letter in original with accompaniments, No.

supplied with a copy of the Government Order,

No. 120, dated 8th ultimo, for record in my

Department;* and at the same time very

respectfully to represent that the telegram of the Secretary to the Government of India, published at p. 834 of the *Government Gazette*, clearly limits the period during which Judicial officers were to be permitted to absent themselves during the recesses of their Courts, viz., the year 1863.

2. I beg therefore to submit, for the consideration of His Excellency in Council, whether the orders which would seem to have been issued are not opposed to the wishes of the Supreme Government, and such as are likely to lead hereafter to confusion, since officers absentsing themselves during the recess of their Courts on the strength of such orders, when they have not been 11 months at duty from return from last leave, may become hereafter liable to the loss of privilege leave to which they have been looking forward, and may not be permitted to count such absence as service.

No. 160.

ORDER THEREON, 13th April 1864, No. 524.

The Governor in Council sees no reason to question the propriety of the order referred to in the foregoing letter.
