*Proceedings of the Madras Government, Judicial Department,
14th April 1864.*

No. 165. Read the following letter from C. F. CHAMIER, Esq., Registrar of the High Court of Judicature at Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 23rd March 1864, No. 23.

The Civil Judge of Tanjore having reported that the number of Appeals still on the files of the three Appellate Courts of his District is very great, I am directed to recommend that the services of the Additional Principal Sudder Ameen be retained for a further period of twelve months, from the 1st May next, or until any date within that period when the Appeal file may be sufficiently reduced to justify the discontinuance of the Additional Principal Sudder Ameen's Court.

No. 166. ORDER THEREON, 14th April 1864, No. 530.

In the Order of the 15th November 1862, No. 1861, sanction was granted for the temporary establishment of an Additional Principal Sudder Ameen's Court at Tanjore, for the hearing of Appeals, in consequence of there having been, on the 30th September of that year, 1014 cases pending on the Appeal files of the Civil Judge and Principal Sudder Ameen of the Zillah; and in the Order of the 11th November 1863, No. 1755, the sanction was extended to the end of the official year 1863-64, on its being represented that there still remained 665 Appeals, and that a large portion of the time of the permanent Principal Sudder Ameen was occupied with Original Suits and Criminal cases.

2. From the tabular Statement submitted with the foregoing letter, it appears that, on the 1st January last, there were 506 Appeals awaiting disposal. Of these 216 have since been decided, but between the 1st January and 29th February 132 new cases have been brought on the files. As it is clear that the Additional Principal Sudder Ameen's Court cannot at present be closed, the Governor in Council sanctions its continuance, as long as the Honorable the Judges of the High Court may consider necessary, up to the end of the official year 1864-65.

One year from the 1st of May next - in before that period of the files of the 3rd Appellate Courts are supplied by post.

Although great exertions were made during the last year, the number of Appeals still pending in the 3 Appellate Courts in this District on the 1st instant is still great, vizt 122. On the 1st January last, there were 506 awaiting disposal; but after deducting 216 Appeals since decided by the 3 Courts, the file has been increased by 132 new cases instituted between the 1st January and 29th February; and should the Appeal file be augmented at the same rate henceforth till the end of the present year, there will be, without the assistance of the Additional Principal Sudder Ameen's assistance, an accumulation again of probably not less than 500 Appeals on the 31st December next, to clear off which, it will be necessary to apply again for the re-establishment of the Additional Principal Sudder Ameen's Court.
