Proceedings of the Madras Government, Judicial Department,
15th April 1864.

No. 183. . Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to
A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George,
dated Ootacamund, 7th April 1864, No. 677.

I have the honor to bring to the notice of Government that the Jail at Paumben still
remains thatched with cadjans. I have laid it down as a general rule that prisoners on Public
Works shall in all cases be provided with tiled or other secure roofs, and I observe that the Go-
vernment has now insisted on a similar precaution in respect to the Lawrence Asylum sheds.

2. I beg the Government to direct that the Paumben Jail be in like manner roofed with
iron, a precaution I have insisted on in the addition to the building sanctioned by myself some
years ago.

No. 184. ORDER THEREON, 15th April 1864, No. 537.

The Governor in Council directs that the thatch on the roof of the Jail at Paumben be
removed, and that iron sheeting be substituted. The necessary orders will be issued in the
Public Works Department for the early execution of the work.
