No. 210. Read also letter from C. F. CHAMIER, Esq., Registrar of the High Court of Judicature at Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 12th April 1864, No. 28.

I am directed by the Chief Justice to acknowledge the receipt of your letter, dated the 8th instant, transmitting copy of a telegram from the Government of India, and of the Bill to extend the Jurisdiction of the Presidency Courts of Small Causes, and asking the opinion of the Chief Justice and his Colleagues as to the provisions of the Code of Civil Procedure which should be made applicable to the Court of Small Causes.

2. The Chief Justice desires me to say that he thinks it necessary to the satisfactory consideration of this subject, that his Honorable Colleagues and himself should be in possession of the views and opinions of the Judges of the Small Cause Court—expressed after careful consideration. As, however, the Chief Justice does not feel himself at liberty to call for the opinions of these Judges, he begs to suggest that a statement of their views should be required by the Government and furnished to him. After which the opinion asked for will be furnished.

Order — 19 April 1864 N^o 562

Resolved that copies of the above Telegram & of the Bill referred to in it, be furnished to the Judges of the Small Cause Court — & that

they be requested to submit a statement of their views as to what provisions of the Code of Civil Procedure should be made applicable to the Court of Small Causes at Madras.

I am not sure that even this will satisfy the C.J. — He seems to wish that we should first get the opinions of the S.C.C. Judges and that we should then furnish them opinions to their Honors of the H.C. — or rather to the C.J. to the Court of Small Causes at Madras.

This is mightily childish but we may as well do it.

Approved & kept — of all the present & The Judges of the Madras Court of Small Causes with Telegram, Bill & Act VIII-59. — and to show our far-sightedness — touching the same and obstructing — can be carried
