*Proceedings of the Madras Government, Judicial Department,
19th April 1864.*

No. 212. Read the following letter from J. ROHDE, Esq., Inspector General of Jails;
to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George,
dated Ootacamund, 10th March 1864, No. 620.

I have this day* received the Plan and Estimate referred to in the Order of Government
19th December 1863, No. 1974, and have the
honor to suggest that as the Estimate for the
building which does not include the permanent

* 29th February 1864.

Wards is very high, the more compact and complete Plan now proposed for the Tanjore Jail be
preferred for Madura.

2. In reference to that Plan I may remark that it provided accommodation (at six in a cell)
for 360 Prisoners; but this allows only 374 feet to each prisoner (enough I should think with a
free current of air through the cell) with 240 Prisoners there will be 562 feet to each man. The
Hospital is detached—an arrangement that I am inclined to prefer for many obvious reasons.

No. 213. ORDER THEREON, 19th April 1864, No. 553.

His Excellency the Governor in Council sanctions the preparation of Estimates for the cost of
constructing Jails at Madura and Tanjore, on the Plan submitted by Mr. Rohde with his letter
of the 10th ultimo.
