PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

*Memorandum from the Adjutant General, Fort Saint George, 6th April 1864, No. 173 ; to the Secretary to Government, Military Department.*

With reference to paragraph 2 of the Proceedings of Government, dated 23rd ultimo, No. 1019, the Commander-in-Chief has the honor to forward the within letter and its enclosure from the Officer Commanding Centre Division, dated 1st instant, No. 57, furnishing the order thereon called for.

*From the Officer Commanding Centre Division, Fort Saint George, 1st April 1864, No. 57 ; to the Adjutant General, Fort Saint George.*

In accordance with paragraph 2 of Proceedings of Government, No. 1019, dated 23rd March 1864, I have the honor herewith to forward a copy of the Orders in Force for the guidance of the Troops in Garrison in cases of fire in the Town or Suburbs. As a rule however the Engines kept in the Fort are not sent to a fire in the Town, unless application is made for them by the Police, and this rule is necessary to prevent the Troops being called out needlessly.

*Extract from Garrison Order, dated Fort Saint George, 29th June 1860.*

No. 5.—The Fire Engine in the Fort will be used in extinguishing fires on such occasions, either in the Fort or the Town, as the Officer Commanding the European Regiment or Senior Officer, resident in the Fort, may direct.

In case of fire, the men will assemble in the square, a proportion under Arms for the protection of property, of the remainder, a working party of one Serjeant and twenty-four Privates will be sent to the Arsenal, to take out and drag the Engine to the spot required.

(Signed) C. S. ELLIOTT,
