*Proceedings of the Madras Government, Judicial Department,
3rd May 1864.*

No. 18. Read the following letter from H. BIRDWOOD, Esq., Under Secretary to the Government of Bombay; to the Chief Secretary to the Government of Fort Saint George, dated Bombay Castle, 22nd April 1864, No. 1331.

I am directed by the Honorable the Governor in Council to acknowledge the receipt of your letter, dated the 15th December last, No. 1953, relative to the delay that has occurred in the adjustment of the accounts of the Police Department in North Canara, and in reply to transmit, for the information of His Excellency the Governor of Fort Saint George in Council, the accompanying copy of a report, dated the 8th instant, No. 407, from the Commissioner of Police, Southern Division, on the above subject.

No. 407 of 1864.

JUDICIAL DEPARTMENT,
CAMP SATTARA DISTRICTS,
8th April 1864.

The Commissioner has the honor to report, with reference to the above, that upon receipt of Government Resolution (J. D.) No. 482, dated 13th March 1863, the Superintendent of Police, Canara, submitted the following report* through the Magistrate:—

* No. 51 of 1863, (No date.)

"The accounts have been adjusted and the carbines returned to Madras.

"The abstract for half of April was lost in, or miscarried on its way from the Civil Paymaster's office, but after long references a duplicate was submitted passed and the advances adjusted in correct form."

2. But on this report coming to hand, the Commissioner had to await receipt of the Superintendent's reply to a reference made a few days previously, requesting to be informed of the result of some instructions issued by Mr. Hart in December 1862, regarding the return of 300 Fuzils and certain superfluous and unserviceable stores to the Inspector General of the Madras Police.

3. The information applied for, however, not having been furnished at the time when the Government reference under reply was received, a further reference was made to the Superintendent of Police, Canara, on the 26th January last, and in reply to that reference the Superintendent now writes as follows:—

No. 115, dated 15th February 1864.

"2. Rupees 148-2-3, which is demanded by the Inspector General, appears to me to be the correct sum, and I therefore send it to him requesting a receipt. The accounts with Madras are thus finally closed, as regards that Presidency, except a refund which its Government must make of contributions paid into its Police Superannuation Fund by the men of this Police previous to the transfer. This refund, I believe, I shall speedily obtain.

"3. Regarding the other references in your Memorandum under reply, I have the honor to report that the 300 Fuzils referred to, and all superfluous and unserviceable stores have been returned to Madras, and that all your orders as to the accoutreing, arming, and providing with ammunition of the Canara Police has been carried out."
