*Proceedings of the Madras Government, Judicial Department,
3rd May 1864.*

No. 28. Read the following letter from K. KELLOO NAIR, Principal Sudder Ameen of Calicut; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Judicial Department, Fort Saint George, dated Calicut, 14th April 1864, No. 53.

I think it proper to bring to the notice of Government that certain prisoners were lately convicted by me on the charge of having dishonestly taken certain property which had been washed ashore from the wreck of a vessel, with the intention of appropriating it to themselves.

2. The property consisted of a few pieces of damaged Jagarnath cloth, cotton yarn, &c., which I apprehended would not escape from the devastation of white-ants if kept for a longer time, and I therefore had them sold *after issuing due notice*; and the same realized the net amount of Rupees 167-6-7, to which *sum* a party subsequently laid claim, praying that the money might not be carried to the Public Account, as he had evidence to bring in support of his alleged claim, which evidence, however, he never produced, though the Court waited a full month for the same. I therefore considered the money as the proceeds of sale of unclaimed property, and have this day remitted it to the Collector to be credited to the account of the State.

3. I have the honor, under the above circumstances, to request that His Excellency the Governor in Council will be pleased to sanction my proceedings.

ORDER THEREON, 3rd May 1864, No. 639.

No. 29. The Governor in Council grants authority for the amount in question being carried to the credit of the Public Account.

2. As unclaimed property, like that which is the subject of the present reference, may be treated as intestate property, the Principal Sudder Ameen is informed, through the Civil Judge of Calicut, that property of this nature should be included in the Annual Inventory required to be submitted to the Government under the Orders of the 15th February 1862, No. 242.

(True Extract.)
