*Proceedings of the Madras Government, Judicial Department,
10th May 1864.*

Read the following papers:—

No. 77. From E. C. BAYLEY, Esq., Secretary to the Government of India; to J. D. SIM, Esq., Secretary to the Government of Fort Saint George, dated Fort William, the 7th April 1864, No. 2553.

Home Department.

The recent increase in the number of convicts at Port Blair, and the expectation of a far larger increase as soon as adequate accommodation can be provided, induce the Governor General in Council to believe that the Medical duties of the Settlement have become too onerous to be imposed upon one Officer, and that a second Medical Officer ought to be appointed, who should be a full Surgeon, the present Assistant Surgeon being retained as his Assistant.

2. I am therefore directed to request that His Excellency the Governor of Madras in Council may be moved to place the services of a Surgeon from that Presidency at the disposal of the Government of India for appointment to the Medical charge of Port Blair.

3. It is very desirable, I am to add, that the Officer to be selected for this important appointment should be as thoroughly competent and judicious an Officer as can be found, and it is hoped that there will be no difficulty in his proceeding at once to Port Blair and assuming charge of his duties, in anticipation of the formal appointment to be made by the Government of India.

Referred to the Principal Inspector General, Medical Department, for early report.

FORT SAINT GEORGE,
14th April 1864.
