*Proceedings of the Madras Government, Judicial Department,
17th May 1864.*

No. 162. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 7th May 1864, No. 732.

I have the honor to request the sanction of Government to writing off to Profit and Loss the sum of Rupees 66-15-8, the value of grain deficient in the Cuddapah Jail granary. The loss has occurred on receipt and issues extending over a considerable period, from the practice of continually replenishing the grain store without actual measurement of the stock in hand, and as Mr. Child remarks will not occur again.

2. I shall call on officers in charge to take stock in future, at least once at the close of the year should the grain stored be unexpended, and to remove such surplus before replenishing. At Cuddapah the stock is small and is frequently renewed.

3. Mr. Child's letter on the subject is enclosed.

From F. S. CHILD, Esq., Sessions Judge of Cuddapah; to J. ROHDE, Esq., Inspector General of Jails, dated Cuddapah, 2nd May 1864, No. 261.

I have the honor to report that the two granaries in this Jail appear not to have been examined for many years. The plan was to give credit for so many measures and then add what was purchased, and no stock was ever taken. Finding this to be the case, I directed that stock should be taken, for otherwise it was impossible to tell whether the amount credited as balance in hand was correct. The result was as follows:—In cholam granary 82 seers; in the rice granary 404 seers; deficient the value of this is 66-15-8.

2. It is impossible to tax any one with this deficiency as the examination had not been made for years, and it would not have been found out had my attention not been drawn to the subject. I have therefore the honor to request you will sanction a Contingent bill for the amount. Now at the end of every month stock is taken, so that this cannot happen in future.

No. 163. ORDER THEREON, 17th May 1864, No. 720.

The Governor in Council grants authority for writing off in the accounts of the Cuddapah Zillah Jail the quantities of grain found deficient in the Jail stores, amounting to 82 seers of cholam and 404 seers of rice, valued at Rupees 66-15-8.
