*Proceedings of the Madras Government, Revenue Department,
8th January 1864.*

No. 59. Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Calicut, 26th December 1863, No. 141 :—

SIR,

1. I have the honor to bring to the notice of Government that a Cricket ground for the men of the European Detachment stationed here is very much wanted. A piece of open ground for purposes of general recreation is very desirable, and all the land about, not under Paddy, is thickly planted with Coconut trees, &c. It is private property and without some arrangement with the Jemis cannot be applied to public purposes.

2. I have had a piece of land, about 7 Acres in extent, close to the Barracks, and in a good situation on the Cannanore road, marked out, and the Zamorin Raja, who manages the property of which it forms a part on account of a Devasom, has agreed to make it over as long as Government require it for public purposes if the annual assessment be remitted, and a pátom or rental of Rupees 17 per annum be paid to him.

3. I can have the ground levelled by a party of Convicts, and propose adapting portions of it for a Cricket ground, and planting a few trees, &c. in the rest as a place of public recreation.

4. I therefore beg to request the sanction of Government for the payment of the rental of Rupees 17 per annum.

As it will not be cultivated, the assessment will not be payable.

5. I cannot specify how the charge can be met, but I doubt not it can be met if Government are pleased to approve of it.

No. 60

ORDER THEREON, 8th January 1864, No. 31.

1. The Government highly approve of Mr. Ballard's proposal. The annual payment of Rupees 17 is sanctioned from the Local Funds of the District.

2. The ground will be under the Collector's charge, and Convict labor will be available as far as circumstances permit, for laying it out and keeping it in order.
