Proceedings of the Madras Government, Judicial Department,
11*th June* 1864.

No. 106. Read the following letter from C. W. READE, Esq., Collector of South Arcot ; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Cuddalore, 18th May 1864, No. 24.

Adverting to the Proceedings of Government of date the 3[illegible]h last, **No. 427,** I have the honor to submit a plan of the proposed Subsidiary Jails in this [illegible]

2. The roofing of the building whether terraced or couple will be regulated by the price of the materials. In some places it will be far cheaper to adopt the former, in other places the latter.

3. There has been a little delay in sending this sketch plan for approval. I have no Draftsman in my own office, and the Engineer officer of the range was absent and unable to do what I wanted till recently ; but, meanwhile, in most places, materials have been in course of collection, and other arrangements have been entered into as far as possible to avoid unnecessary loss of time.

4. The plan submitted has the approval of the Police Department.

5. In the case of the Locks-up, I have not considered that Government required to approve of any particular plan, and I have left it to the Superintendent of Police, in conjunction with the officer of the Taluq, to arrange the site in each locality and to adopt the simple building which, in consultation with the former officer, has been considered suitable and adequate for the required purpose.

No. 107. ORDER THEREON, 11th June 1864, No. 860.

The plan submitted with the foregoing letter is approved.
