Proceedings of the Madras Government, Judicial Department, 11*th June* 1864.

the following letter from C. W. ROADE, [illegible] Arcot;

to the Honorable A. J. ARBUTHNOT, Chief Secre[illegible], Fort Saint George, dated Cuddalore, 27th May 1864, No. 26.

In acknowledgment of the Orders of Government, No. 590 of the 26th April last, I have the [illegible] periods of service of the [illegible] Remarks opposite to each name I have added my opinion on the Magisterial qualifications of those officers.

2. It [illegible] scarcely be fair to expect any great degree of efficiency in regard [illegible] city as Ma[illegible] in the older servants who occupy the post of Serishtadars. Th[illegible] hitherto always looke[illegible] mainly a Revenue one, their chief duties being Rever[illegible] and fiscal; but as far as my exp[illegible] goes, I am able to bear favorable testimony t[illegible] in which the Magisterial work has been done by this class of officers in this District; [illegible] exception of the old Serishtadar of Cuddalore, who is on the eve of resigning, I am of that, on the whole, they have performed [illegible] creditably. Ever sinc[illegible] troducti[illegible] new Criminal laws, I do not find that any one of the Serishtadars has been e[illegible] glect of duty or for any misapplication of their powers under the new law. [illegible] doing in the conduct of their Magisterial functions.

3. I thi[illegible] the Tahsildars of Taluqs, the continuance of Magisterial powers to the Serishtadars very necessary indeed. I see not how the M[illegible]l work in the Cusbah stations of a Taluq could otherwise be got through, unless some [illegible] officer were appointed for the duty.
