Fixed Department.

With reference to Government Order, No.—, dated the 8th instant, the undersigned has the honor to state that, until 1st July 1863, there were only two District Moonsiffs under the Government Agent in Ganjam, one at Berhampore and the other at Palasa, and neither of these two appointments was vacant for any time between April 1862 and June 1863.

2. From 1st July 1863, a District Moonsiff was appointed for Aska also under the sanction of the Government of India, No. 933, dated 16th March 1863, and G. Venkataramdoss, who was nominated to that post, has drawn the salary of the appointment from that date.

The appointment of that individual made by the Agent under the Agency rules, prior to [illegible]tion of the Government of India above quoted, did not carry with [illegible]ity for this office to pass to him any salary beyond what he was entitled to as Translator [illegible]nt's office. The claim preferred on his behalf to salary as District Moonsiff was therefore [illegible].
