Proceedings of the Madras Government, Judicial Department,
21*st June* 1864.

No. 212. Read the following letter from C. W. READE, Esq., Magistrate of South Arcot; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Cuddalore, 13th June 1864, No. 30.

I have the honor, with reference to the Proceedings of Government, No. 418, dated 23rd March last, to forward a List of Arms, &c., serviceable and unserviceable, remaining in my charge, and, as suggested by the Officiating Magistrate of Cuddapah, I would recommend that the Arms which are unserviceable may be broken up and sold by auction as old iron, and that the cartridges be destroyed and the lead disposed of also by public sale.

2. A large number of weapons of various kinds as detailed in the accompanying List, remaining in the hands of the Magistrate on the introduction of the new Police, was made over to that Department.

3. I much regret the great delay there has been in replying to the orders of Government of the 13th August 1862, and I know not that I can offer adequate excuse, because the dilatoriness of my Taluq subordinates (to which it is to be ascribed) to furnish the needed information to enable me to make up the Statement required by Government, ought to have been noticed by me in a manner to have ensured obedience to my instructions within the period named. I can only apologize, and I will take care that an oversight of the kind shall not again occur.

No. 213. ORDER THEREON, 21st June 1864, No. 917.

The Governor in Council authorizes the Magistrate of South Arcot to dispose of the old Arms, &c., referred to in the foregoing letter, in the manner suggested in the 1st paragraph.
