No. 542. From W. ROBINSON, Esq., Inspector General of Police, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 20th June 1864, No. 1,250.

SIR,

In returning letter from the Collector of Malabar on the subject of funds for Hospital at Calicut for the joint use of the Military and Police, I have the honor to remind you that it was ruled by Government last year that the Police should not provide for buildings occupied jointly with other Departments, I therefore have made no provision for this building and would suggest that funds be provided from the Reserve.

No. 543. ORDER THEREON, 24th June 1864, No. 1,845.

As the Inspector General of Police is unable to provide the funds required for the construction of the Hospital* at Calicut from the current year's allotment for Police buildings, and as the amount standing to the credit of the "Reserve" is insufficient to meet demands for works more urgently required, the Government direct that the Estimate be entered in the Budget for 1865-66.

* Estimate Rupees 2,660, sanctioned in Proceedings, No. 1,231, dated 29th April 1864.
