Proceedings of the Madras Government, Public Works Department,
13th July 1865.

No. 331. Read the following letter from Lieutenant-Colonel F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Trichooly, 1st July 1865, No. 506 :—

SIR,

1. I have the honor to request that you will inform me whether it is necessary to place a Commissioned Officer at Paumbem, during Lieutenant Coningham's absence on leave. He has applied to me to grant him two months' privilege leave, which I am unable to do now as Captain Payne had already asked for the same and has better claims, but referring to No. 133 of 1st December 1864, I am anxious to know for my future guidance.

2. Lieutenant Coningham suggests that Mr. Daviot, the Head Pilot, might act for him, particularly as during the south-west monsoon no work can be done in the channel, and the Sub-Magistrate can undertake most if not all, of the Magisterial work.

3. If the Government do not object to these arrangements, I could spare Lieutenant Coningham immediately.

4. To save delay, I have sent a copy of this to the Magistrate of the District.

No. 332. ORDER THEREON, 13th July 1865, No. 1,991.

ESTABLISHMENT, No. 45.

The Superintending Engineer of the 8th Division will be informed that if the Magistrate can undertake the charge of the Convicts at Paumbem, either personally, or by deputing one of his European Covenanted Assistants to the spot, and arrange for the performance of the Magisterial duties devolving upon Lieutenant Coningham, there is no necessity for an Officer of the Public Works Department being deputed to take charge during his absence. If not, Lieutenant Coningham cannot get leave until an Officer is sent to relieve him,
