Not to be folded or roughly handled

No. 158. Read the following letter from Major R. M. MACDONALD, Registrar General of Assurances, Madras, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Madras, 5th July 1865, No. 203.

I have the honor to report that several of the District Registrars complain that they are unable to carry on their work with a single clerk. Some of them are desirous of additional assistance, while others think that the sum already sanctioned for their establishment would be sufficient if it were differently distributed.

2. The present allotment, which was to be open to revision on application from the District Registrars, is shown in the margin. As all the District Registrars, except Major Stevenson, are already provided with peons, in their capacity of Deputy Collector, I am inclined to think that a peon might generally be dispensed with, and that those officers who prefer the allotment noted in the margin might be authorized to adopt it, in lieu of the one now sanctioned.

	Rs.	A.	P.
1 Clerk	30	0	0
1 Peon	6	0	0
Contingencies	4	0	0
Total..	40	0	0

	Rs.	A.	P.
1 Head Clerk	24	0	0
1 Clerk	12	0	0
Contingencies	4	0	0
Total..	40	0	0

3. Major Stevenson has intimated to me that he wishes to retain his present establishment.

No. 159. ORDER THEREON, 22nd July 1865, No. 1024.

His Excellency the Governor in Council sanctions the changes recommended by the Registrar General of Assurances in the establishment allowed for the District Registrars, and authorizes those officers who prefer the allotment to adopt it in lieu of the present one. The arrangement, it is observed, involves no extra expense.
