Proceedings of the Madras Government, Judicial Department,

2nd August 1865.

No. 17. Read the following letter from Lieutenant Colonel W. J. WILSON, Acting Inspector General of Jails, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Bangalore, 25th July 1865, No. 120.

I have the honor to forward, for the favorable consideration of Government, copy of a letter from the Garrison Surgeon of Cannanore, recommending the release of a lad named Abby, at present a convict in Jail at that place, on the ground that further continued incarceration will lead to his death.

2. Mr. Sullivan, Session Judge at Tellicherry, supports Mr. Pickering's recommendation, and informs me that the prisoner has undergone half the term of his sentence. It appears that he was convicted on the 28th July 1864, before the Deputy Magistrate of Wynaad, of theft as a servant, under Section 381 of the Penal Code, and was sentenced to imprisonment for two years.

From Surgeon Major C. W. PICKERING, Garrison Surgeon, Cannanore, to the Magistrate in charge of Jail, Cannanore; dated Cannanore, 16th July 1865, No. 22.

I have the honor to bring to your notice the case of convict Abby, a young lad at present under treatment in Hospital, whom I would recommend, if practicable, being released, as I am of opinion that further continued incarceration in Jail will only lead to his death.

2. He is quite a young lad and has long been under my observation, and has been slowly but surely declining in health for some time past; he has also been suffering from fever, from accumulation of worms, and is in a very debilitated and emaciated state, showing a scorbutic tendency, which will no doubt be further developed by confinement. He has, I believe, been incarcerated for a considerable period; and it has had a very serious effect on his health.
