*Proceedings of the Madras Government, Public Works Department,
27th July 1865.*

No. 674. Read the following letter from Captain R. F. OAKES, R. E., Acting
Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Tanjore, 18th
July 1865, No. 590 :—

Sir,

1. I have the honor to inform you that the Judge of the Court of Small Causes
at Negapatam states that the ward for the accommodation of ten male prisoners
is urgently required at Negapatam.

4th November 1864.

Rupees 1,070.

2. Government in their Order No.
3,181, directed that application should
be made for the requisite funds for this
work after the 1st May, I regret that this
order was over-looked in my Office, and I fear that it is now too late to obtain
funds for this work. If the amount could be sanctioned now, it is probable we
should not be able to undertake the work till after the monsoon. I cannot at
present state what may be the demand for Minor New Works within the next six
months, but I would solicit the sanction of Government to the execution of the work
conditionally from the sum allotted in the Budget for Minor New Works, and if
funds can be spared from that allotment I will push on with the work after the
monsoon, when I shall be able to judge what will be the probable demand on the
allotment for Minor New Works.

No. 675. ORDER THEREON, 27th July 1865, No. 2,166.

ACCOUNT, No. 105.

The Government approve of the additional ward
to the Taluq Cutcherry at Negapatam being proceed-
ed with after the monsoon from the allotment for
Minor New Works in the Tanjore District, should funds be available from that
source. In the event of the Superintending Engineer being unable to provide the
amount required, he will report the circumstance for the orders of Government.
