GANJAM DISTRICT MAGISTRATE'S OFFICE,
CHETTERPORE, *15th September* 1864.

(Signed) G. S. FORBES,
Magistrate.

No. 278.

No. 211. MEMORANDUM.

With reference to the Statement shewing the number and description of all sorts of Arms in the possession of the several Zemindars in the District, submitted by the Magistrate of Ganjam, with his letter of the 5th September 1864, the undersigned is directed to request that the Magistrate, adverting to the very large number of Arms in possession of many of the Zemindars, and bearing in mind the objects for which, in the 6th paragraph of Order of Government, No. 634, of 14th May 1861, Zemindars were permitted to retain Arms, will report what number of Arms he is of opinion should be allowed in each case, for the objects referred to in the above Order.

FORT SAINT GEORGE,
30th June 1865.

(Signed) F. BRANDT,
Acting Under Secretary.

To the Magistrate of Ganjam.

No. 212. From E. B. FOORD, Esq., Acting Magistrate of Ganjam, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Chetterpore, 26th July 1865, No. 103.

With reference to an official Memorandum from the Under Secretary to Government, dated the 30th ultimo, No. 278, Judicial Department, I have the honor to annex a Memorandum shewing the number of the several descriptions of Arms which each of the Zemindars of this District should, in my opinion, be allowed to retain for the protection of his houses, Cutcherries, and Treasuries. I would propose taking the remaining number of Arms, and sending them to the Arsenal at Madras, by the first sea opportunity. Their value should, of course, be made good to the Zemindars.

CHETTERPORE,
26th July 1865.

(Signed) E. B. FOORD,
Acting Magistrate.

No. 213. ORDER THEREON, 25th August 1865, No. 1184.

With his letter recorded above, the Magistrate of Ganjam submitted a Statement showing the Arms of all sorts in the possession of the several Zemindars in the District, and recommended that, as the Cannon belonging to these Chieftains had been taken away from them, they might be allowed to retain the Arms, for the protection of life and property. But the number of Arms in some cases, as in that of the Mandasa Zemindar—219 muskets and 255 swords besides other weapons—seemed more than could be required "for the protection of houses, Taluq Cutcherries and Treasuries," the specific purpose for which, in the 6th paragraph of the Order of the 14th May 1861, No. 634, the Zemindars were to be allowed to retain more Arms than other persons. This necessitated a reference to Ganjam for further information, and Mr. Foord has now furnished a Memorandum showing the number of Arms which each of the Zemindars in question should be permitted to keep.

2. The Governor in Council directs that the Acting Magistrate will apply to and obtain from these Zemindars the Arms which they have in their possession, in excess of the number allotted to each in his Memorandum, and transmit them to the nearest Arsenal. The value of the Arms surrendered must be disbursed to the owners. This Order does not extend to the "Shields" entered in the Statement originally furnished.
