*Proceedings of the Madras Government, Public Works Department,
25th August 1865.*

No. 608. Read the following letter from E. G. R. FANE, Esq., Collector of the Madras District, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Sydapet, 15th August 1865, No. 134:—

SIR,

1. Under the Order of Government, dated 6th May 1865, No. 688, Judicial Department, certain guns were lately destroyed by bursting in a large open space of ground near Vayserbady, a suburb of Madras, and the fragments are now lying there. They have been put up to auction after due notice, but no bids have been made for them, as being of cast-iron they are useless. I would therefore suggest that the Superintendent of Gun Carriage Manufactory be directed to take charge of them, and use them for any Government purpose.

2. If he also should pronounce them useless, the only way will be to bury them.

Referred to the Military and Public Works Departments for inquiry as to whether the fragments of cast-iron referred to, are required for any Department.

FORT SAINT GEORGE,
22nd August 1865.

(Signed) C. G. WALKER,

Under Secretary to Government.

To the Public Works Department.

No. 609. ORDER THEREON, 25th August 1865, No. 2,483.

ESTABLISHMENT, No. 76.

As cast-iron of the description of which guns are made will be required for the use of the foundry which it is in contemplation to attach to the Public Works Workshop at Chempauk, the Public Works Department will be glad to receive the fragments of the guns that are referred to by the Collector of Madras.
